

Gulfport Police Department News Release

Subject: Get on the Road for a Bike Rodeo

Date: 12/29/17

Narrative

Gulfport Police Department and the Gulfport Recreation Division want kids to bring their bikes and wear their helmets to the Gulfport Bike Rodeo. This fun and interactive event is located at the Michael J. Yakes Complex (Recreation Center) at 5730 Shore Blvd. S. in Gulfport on Saturday, January 13th from 9:30 a.m. until 11 a.m. This is co-sponsored by the Michael J. Yakes MyFoundation.

This is the 1st annual project involving a bike rodeo, giving back to kids during the City of Gulfport MLK Service Day. Community Resource Officer, Zack Mills will lead kids to the safe rules of the road along with many fun and challenging courses. "Every child will have a cool free gift, there will be raffles for bike gear and a few other surprises," states Mills.

If you are interested in volunteering for this MLK project event to join the G Force Team either in donating snack items or your time, please contact 727-893-1049.
